Dear St. Bernadette Parents and Guardians,

St. Bernadette will continue to assess financial aid for families in need through the FACTS program that was implemented last year. All families seeking any financial aid from St. Bernadette School must file a complete application with FACTS in order to be considered for financial aid for the 2010-2011 school year. All applications, including all required materials, must be turned into the FACTS company by July 1, 2010 to be eligible for aid.

FACTS applications are available in hard copy in the school office to be mailed into the company or you can access an application from the link found on the St. Bernadette School website. We strongly urge all families to fill out an application; however, a completed application is not a guarantee of financial aid and is subject to the Pastor's approval. FACTS does require a \$20 application fee for families that are applying for financial aid. This fee goes directly to FACTS to pay for their services in assessing family tuition needs and is not included in the technology/books fee or tuition fee associated with St. Bernadette School.

Financial aid will not be formally decided by the Pastor until all registration forms are received and completed by the school. Letters detailing aid decisions will be sent out to families in mid to late July.

If you have any questions or concerns please let me know, 303-233-1523 ext. 15.

Sincerely,

Randy Erickson
